

NURSERY 30 HOURS FUNDING

Can you help us claim additional Nursery funding?

We are trying to maximise the income that we receive for our Nursery children and we need your help

We currently only receive funding for 15 hours of Nursery education and then after that we can claim additional funding from the government for some families **BUT ONLY IF FAMILIES ARE ELIGIBLE AND THEY REGISTER FOR THIS FUNDING ONLINE.**

We can claim for 30 hours childcare if you (and your partner, if you have one) are:

- in work - or getting parental leave, sick leave or annual leave
- each earning at least the National Minimum Wage or Living Wage for 16 hours a week - this is around £131 a week or around £6,830 a year. (This earnings limit does not apply if you're self-employed and started your business less than 12 months ago).

You can get 30 hours free childcare at the same time as claiming Universal Credit, tax credits, childcare vouchers or Tax-Free Childcare.

Unfortunately, you cannot claim if:

- your child does not usually live with you
- you're from outside the EEA and your UK residence card says you cannot access public funds

How do you apply for this additional funding for us?

You can go directly to <https://www.gov.uk/apply-30-hours-free-childcare> and complete the application. You will need your National Insurance Number, UK Passport, tax credits, P60 or a recent payslip.

If you are eligible you will be given a code to bring into school so that we can claim the additional funding.

If you need any help completing the application, please call into school and we will complete the application with you.

Finally, just so we know that we have claimed all the funding that we are entitled to, can you please complete and return the attached form.
