

MARLBOROUGH ROAD ACADEMY

HOME SCHOOL AGREEMENT

Our Aims and Ethos:

Marlborough Road Academy aims to offer a secure, stimulating and challenging environment within which both children and staff can grow, learn and achieve success in an atmosphere of mutual respect.

The school works in partnership with staff, parents and the community for the good of all the children. We believe our school is concerned with the development of people to their full potential regardless of gender, race belief or disability. We are determined to provide equal opportunities for all.

We want the education at Marlborough Road Academy to be broad and stimulating, giving the children the opportunity to express themselves through art, music, drama, sport, trips and visits.

Our aims can be met most effectively when all staff, parents and children understand their responsibilities and work together towards the same goals, as detailed in our home/school agreement.

The parents/carers will:

- Make sure that their child is on time and prepared for school
- Tell school when their child is not in school
- Make sure that their child follows school rules
- Come to meetings when they can
- Support their child's learning at home
- Make sure that their child follows the dress code
- Encourage their child to be as open as possible about their problems
- Adhere to the E-Learning Code of Conduct
- Treat the school community with respect (pupils, staff, visitors, parents)
- Inform the school of any issues/concerns regarding their child
- Make Sure that their child does not bring anything into school that would make themselves or others unsafe

Marlborough Road Academy Will:

- Make learning effective
